

COVID-19

Procedures | suspicious case

INSIDE SCHOOL

If you have symptoms of severe respiratory infection (fever or cough or difficulty breathing) and have traveled less than two weeks to areas with active community transmission within 14 days before symptoms or had contact with a confirmed or probable case of COVID-19 infection please call the school (Phone **+351 217 984 500**).

Someone will take you to the “isolation” area, defined for this purpose, and there call **Saúde 24 line (+351 808 24 24 24)** and follow the instructions that will be given.

OUT OF SCHOOL

Students, teachers and staff who are not on the premises of Politécnico de Lisboa or one of its schools and have confirmation of COVID-19, must inform the Schools board through the email **covid19@sp.ipl.pt**.
