

Junior Auditor (m/f)

Our client is an international Audit company, and due to the growth in the German market, intends to recruit an External Auditor fluent in German.

Job Description:

- Analyse the internal controls/procedures implemented and determine the level of client risk;
- Identify the key areas to be analysed and prepare an audit plan for them;
- Validate the financial information in the clients' accounts, at the time of closing the accounts, to ensure that they reflect a true and fair view of the client's activity;
- To define corrective actions and recommendations for improvement to the audit points identified;
- To draw up reports with conclusions on the audit work;
- Manage the communication with German clients.

Candidate Profile:

- Degree in Accounting, Economics, Management, Business Administration or Finance;
- German native speaker (mandatory);
- Good knowledge of Microsoft Excel tools;
- Critical and analytical spirit;
- Excellent communication skills;
- Dynamism and resilience;
- Strong ability to work in a team.

Offer:

- Full Time;
- Direct contract with the company;
- Good work environment.

Observations:

- **Lisbon;**
- We ensure complete confidentiality in the applications processing.
